The Honorable Peter A. DeFazio  
Chairman  
House Committee on Transportation and  
Infrastructure

The Honorable Garret Graves  
Ranking Member  
House Committee on Transportation and  
Infrastructure

Dear Chairman DeFazio and Ranking Member Graves:

I respectfully request funding for the following Member Designated Project to be included in this year's surface transportation authorization legislation: Lake Monroe Loop Trail.

The project sponsor for this project is MetroPlan Orlando, the Metropolitan Planning Organization for Orange, Osceola, and Seminole counties, located at 250 S. Orange Avenue #200, Orlando, FL 32801.

This project is located between Mellonville Avenue and State Road 415 in Sanford, Florida (Zip Code 32771). The funding will be used to close a 3.361-mile gap in the Lake Monroe Loop Trail from Mellonville Avenue to State Road 415.

The project is an appropriate use of federal taxpayer dollars because it would complete the Lake Monroe Loop which was designed to be a continuous 27-mile paved trail around a scenic lake that would allow bicyclists and pedestrians to travel between downtown Sanford and other parts of the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stephanie".
